

Community Impact

July 1, 2021 – June 30, 2022

With your support, Animal Humane Society continues to advance animal welfare and shape the way organizations care for animals and engage their communities. Although the COVID-19 pandemic temporarily reduced AHS's program capacity throughout fiscal years 2020, 2021, and 2022, in a typical year, AHS cares for more than 17,000 dogs, cats, and critters in our shelters and provides programs and services that positively impact the lives of nearly 100,000 animals across Minnesota.

Financials

The Minnesota Charities Review Council's Standards of Accountability state that at least 70% of an organization's annual expenses should be for program activity with not more than 30% for management, general, and fundraising expenses combined. Animal Humane Society directed 74% of our expenses back into programming for the animals and our community.
